IT TAKES A VILLAGE

This directory is full of small businesses, many owned by your friends, neighbors and 'Ohana that need your support now, more than ever.

We all need to stick together and support each other as we move through the COVID-19 crisis. We also can choose how we think, what we say and how we spend our time. We can choose gratitude and grace. We can choose love over fear. We can see our challenges (big and small) as curses, or opportunities for personal and community growth. Here's to our community's health and continuing success.

-Your publisher, Pamela Huggins

Cover Artist

GARY ACKERMAN

Internationally Renowned Artist for 50 years.

Gary Ackerman grew up in Los Angeles California and became an artist and keen observer of light, color and design at a young age. After much travelling in Europe, living in Oregon forests and the valleys of Kauai he made his way to the Big Island of Hawaii as the sugar plantation era ended. Here he eventually acquired what is now the Ackerman Galleries in Kapa'au as he became more in need of painting space. The gallery has been open in North Kohala now for 40 years. The building itself is over 100 years old and used to be an old gas station, model A showroom, an automobile repair shop and dentist office.

Ackerman creates impressionist and abstract paintings that are boldly colorful, layered and texturally complex. In addition, he also creates beautiful large sculptures that incorporate fused glass, metals, gold leaf, island woods and epoxy resins and always reflect the natural world around him. He has collectors worldwide that come to find art all the way at the end of the road.

On the cover: *North Kohala Coast*

The rugged and rainbow filled beautiful cliffs of the North Kohala coast

HIRE YOUR LOCAL MUSICIANS

KA'AEHELE is a Hawaiian word for “Journey” and the musical name of Kelly Hyde. Her lyrics are clever, uplifting, and comical, bringing awareness and at the same time making light of the human situation. Her music covers an array of “island folk,” reggae, and her own special flavor. Her songs are full of food for thought, and her melodies are soothing and creative.

HANNAH KAPLON is a Honoka‘a- raised singer/songwriter. She has written songs and poetry from a young age. She began to play guitar at the age of 11, allowing her to take her music to local open mic nights and restaurants, developing a jazz-influenced folk style reminiscent of Norah Jones, Billie Holiday, Nina Simone and Bob Dylan. She is offering her musical services for parties, weddings, private events and restaurant bookings.

LOPAKA ROOTZ is a singer songwriter musician from Kailua Kona Hawaii. He has gotten frequent radio play on KAPA and Q103 In Maui. He has opened for such headlining acts as Leilani Wolfgramm, Soul Medic, Black Uhuru, and Mike Love recently at the Kahilu Theatre. His music is a nice fusion of folk, rock, reggae with a side order of hip hop if you had to give it a label. You can find his music available on all music platforms. You can find him @lopakarootz on Instagram, Facebook, Youtube and Tik tok.

KALEI WEBSTER is wildly passionate about songwriting and original music, guitar playing and performing. He can offer accompaniment for gigs as a freelance guitarist. He started playing in 2017 with inspirations including B.B. King, Stevie Ray Vaughn, Jimi Hendrix, and his brother Llosh Winnie.
